

## LMP-C132

Replacement lamp for projector models VPL-CX10, 120 Watt UHP

The LMP-C132 is a 120 Watt UHP (Ultra High Performance) lamp for the projector model VPL-CX10.

During its entire lifetime you can rely on a

constant light output generated by this lamp.

When making important presentations, it is better to ensure you always have a projector lamp in spare, especially towards the end of the lamp's lifetime.
